Answer **one** question only from the topic you have studied.

Refer to specific examples from the works you have studied in your answer.

Post-modern approaches to the Performing Arts since 1960

- 1 To what extent does post-modern work of the 1960s differ from that created since the turn of the millennium? [45]

or

- 2 “Originality is Dead” (Lasn & Grierson). Discuss this statement in terms of the dance, drama and music of the past 50 years. [45]

Politics and Performance since 1914

- 3 Analyse the idea that, whilst performance styles may have changed, since 1914 the political motivation of practitioners has remained constant. [45]

or

- 4 “Propaganda, all is phony” (Dylan). To what extent is political performance just as much propaganda as that which it seeks to challenge? [45]

The Twentieth Century American Musical

- 5 ‘The Golden Age of the American Musical was really a golden age of denial of the reality of the world, and it was rightly superseded by a more realistic approach from the 1960s.’ How far do you agree with this view? [45]

or

- 6 Discuss the extent to which dramatic elements are compromised or enhanced by their integration with dance and music in the American Musical. [45]

Approaches to Performance in the Far East

- 7 Discuss the significance of the making and using of masks, including stylised face make-up, in performance styles of the Far East. [45]

or

- 8 What justification is there to support or contradict the view that performing arts in the Far East are ‘merely a collection of unrefined folk tales’? [45]
