- 3** The meeting with the four shopfloor supervisors did not go well (Lines 46–48). This was, in part, due to Tony's leadership style.

Discuss whether changes to Tony's leadership style could overcome the resistance of MSDL's employees to the proposed changes. [16]

This image shows a full page of primary-ruled paper. It features multiple sets of horizontal dashed lines spaced evenly down the page, providing a guide for handwriting practice. The lines are thin and light gray, set against a plain white background. There are no margins, text, or other markings on the page.

- 4 Evaluate the extent to which MSDL will be able to achieve internal economies of scale from future growth if the proposed diversification into garden accessories proves to be successful. [16]

[illegible]

This image shows a full page of a handwriting practice worksheet. It consists of multiple sets of three horizontal dashed lines, providing a guide for letter height and placement. The lines are evenly spaced across the entire page, leaving ample room for practicing various letters and words. There is no text or other markings on the page.
