

Accessing the BTEC (NQF) Onscreen test

In order to access the retired onscreen tests, please ensure that your machine meets the minimum technical requirements shown below:

PC with:

- Pentium III with 900Mhz processor
- 1Gb RAM
- 100Mb storage capacity
- 10/100 Mbps network interface adapter (for local mode only)
- Sound recording device (for language assessments)
- Speakers/headphones (for sound-based assessments)
- Access to Internet (ADSL 1Mb minimum) via reliable ISP (if online mode)
- Windows XP or above
- Microsoft .Net 4.0 (Full or Extended version)
- Windows Media Player 11 or above

You will then need to follow these steps:

- Install the [sample test player](#)
- Download a retired test
- When installation is complete, open the relevant test package
- If requested, the 'Learner Number' and 'Order Number' should be entered as '12345678'.
