113b - 17 -

Ques	tion 20 (continued)	Marks
(c)	How would a report created in a database be used in the business services environment?	4

End of Question 20

2008 HIGHER SCHOOL CERTIFICATE EXAMINATION Business Services

Section III

30 marks Attempt TWO questions from Questions 21–23 Allow about 1 hour for this section

Answer each question in a SEPARATE writing booklet. Extra writing booklets are available.

In your answers you will be assessed on how well you:

- demonstrate relevant knowledge and understanding
- communicate ideas and information, using precise industry terminology and appropriate workplace examples
- organise information in a well-reasoned and cohesive response
- solve proposed issues or problems

Question 21 (15 marks)

Discuss how tasks could be organised to ensure that work schedules are met in the business services environment.

Question 22 (15 marks)

Discuss the strategies a business could implement to improve the performance of employees.

Question 23 (15 marks)

Discuss the relationship between ergonomic requirements and safe work practices in the business services environment.

End of paper
