Attempt Questions 1–16

You will hear 16 texts in this examination. The question for each text will be read once before the first reading of the text. Each text will be read twice. There will be a short pause after the first reading in which you may make notes. You will be given adequate time after the second reading to complete your answer. Listen carefully to each text and then answer the corresponding question in ENGLISH in the spaces provided. In the case of multiple-choice questions, tick the box that corresponds to the correct response.
