# FINANCIAL ACCOUNTING

# Foundation stage examination 7 December 1999

From 10.00 am to 1.00 pm plus ten minutes reading time from 9.50 am to 10.00 am.

#### Instructions to candidates

Answer five questions in total. All four questions from Section A, and one of the two questions from Section B. The marks available for each question are shown in italics in the right-hand margin.

All workings should be shown. Where calculations are required using formulae, calculators may be used but steps in the workings must be shown. Calculations with no evidence of this (for example, using the scientific functions of calculators) will receive no credit. Programmable calculators are not permitted in the examinations room.

Formula sheets, statistical tables, graph paper and cash analysis paper are available from the invigilator, where applicable.

# **SECTION A (Answer all questions)**

1

Orinoco tennis and croquet club was established in 1988. During 1999 it had a record 120 members and received a grant to continue its work into under 14 tennis coaching. In addition to six grass courts and two croquet lawns it has a small club house with changing and bar facilities. The social focal point each year is a family barbecue and treasure hunt which is usually a roaring success.

The following is a summary of the bank ledger of Orinoco tennis and croquet club for the year ended 30 September 1999.

| Receipts                         | £      | Payments                  | £      |
|----------------------------------|--------|---------------------------|--------|
| Balance at bank 1 October 1998   | 2,300  | Staff wages               | 2,670  |
| Members subscriptions            | 31,400 | Barman's wages            | 5,347  |
| Entrance fees                    | 1,300  | Loan                      | 10,000 |
| Bar sales                        | 34,470 | Interest on loan          | 7,200  |
| Competition receipts             | 2,020  | Bar supplies              | 27,580 |
| Under 14 grant                   | 12,000 | Barbecue supplies         | 1,205  |
| Barbecue & treasure hunt takings | 2,000  | Rates                     | 1,400  |
|                                  |        | Groundsman's wages        | 12,800 |
|                                  |        | Upkeep lawns              | 3,300  |
|                                  |        | Lighting, heating and     |        |
|                                  |        | cleaning                  | 3,770  |
|                                  |        | Competition prizes        | 1,200  |
|                                  |        | Treasure hunt prize       | 300    |
|                                  |        | Tennis coach              | 3,200  |
|                                  |        | Printing, postage and     |        |
|                                  |        | stationery                | 120    |
|                                  |        | Deposit with the building |        |
| Balance carried down             | 6,602  | society                   | 12,000 |
|                                  | 92,092 | -                         | 92,092 |

#### Additional information:

1 The assets of the club on 1 October 1998 at cost were land £100,000, club house £45,000 (associated depreciation £11,250) and furniture and equipment £25,000 (associated depreciation £6,250), bar stock £2,300 and prizes in hand £300. £3,400 was owing for bar supplies and £2,000 for lighting, heating and cleaning. The club also had a loan of £90,000.

- 2 On 30 September 1999 bar stocks were £1,890, prizes in hand £250. £3,100 was owing for bar supplies and £1,000 had been paid in advance for the upkeep of the lawns. £205 interest was due from the building society.
- 3 The grant was received to help to support the part-time employment of an under 14 tennis coach for 5 years from 1 October 1998.
- 4 The club house has an anticipated life of 20 years and no residual value. Furniture and equipment are depreciated at 25% using the reducing balance method.
- 5 During the year the club introduced a life membership fee of £1,000. Eight members took up, and fully paid for, this option in the 1998/99 subscription year. The club's policy is to account for life membership over ten years.

The club charges £200 for annual membership. Subscriptions in arrears or in advance are treated as debtors or creditors respectively.

| At 30 September 1998 | <ul> <li>7 members had not yet paid subscriptions for the period 1 Oct 97 - 30 Sept 98</li> <li>5 had paid in advance for the following year's membership</li> </ul> |
|----------------------|--|
| At 30 September 1999 | 3 members had not paid subscriptions for the<br>period 1 Oct 98 - 30 Sept 99<br>6 had paid in advance for the following year's<br>membership.                        |

# • Requirement for question 1

| (a) | Write up the annual subscriptions account.   | 3    |
|-----|--|------|
| (b) | Prepare the Income and Expenditure account for the club for the year ended 30 September 1999, showing separately the profit/loss on the bar. | 10   |
| (c) | Prepare the balance sheet for the club as at 30 September 1999.  | 12   |
|     |  | (25) |

Cholet has identified the following balances relating to sales and purchases for November 1999. All sales and purchases are on credit.

|   | £       |
|---|---------|
| Purchase ledger balances 1 November 1999  | 49,356  |
| Sales ledger balances 1 November 1999   | 62,555  |
| Purchases day book  | 412,421 |
| Sales day book  | 378,889 |
| Returns inwards   | 12,345  |
| Returns outwards  | 3,793   |
| Cheques paid to suppliers   | 324,356 |
| Petty cash paid to suppliers  | 325     |
| Cheques received from customers   | 345,080 |
| Cash received from customers  | 577     |
| Customers' cheques dishonoured  | 45      |
| Discounts allowed   | 15,754  |
| Discounts received  | 6,752   |
| Bad debts written off   | 934     |
| Increase in provision for bad debts   | 8,970   |
| Balances on the sales ledger offset against balances on the   |         |
| purchase ledger   | 3,452   |
| The totals of the lists of balances extracted from the ledgers at 30 November 1999 were as follows: |         |
| Sales ledger balances 30 November 1999  | 63,347  |
| Purchase ledger balances 30 November 1999   | 75,667  |

# • Requirement for question 2

- (a) Prepare from the information given the sales ledger control account and purchases ledger control account for the month ended 30 November 1999. *9*
- (b) If either or both of the control accounts prepared in (a) do not balance, list the detailed procedures you would use to identify any errors in either or both of the accounts.
- (c) Identify two other forms of control over ledger entries and explain how they operate to prevent or detect errors.

The following trial balance has been extracted from the ledgers of Bulgaria, a wholesaler of specialist vehicle parts, as at 30 September 1999.

|                                     | £       | £       |
|-------------------------------------|---------|---------|
| Freehold land                       | 27,000  |         |
| Freehold buildings                  | 120,000 |         |
| Buildings depreciation              |         | 40,000  |
| Sales                               |         | 349,321 |
| Bank                                |         | 4,271   |
| Provision for bad debts             |         | 520     |
| Returns inwards                     | 3,275   |         |
| Debtors                             | 39,331  |         |
| Furniture and fittings cost         | 17,200  |         |
| Furniture and fittings depreciation |         | 9,944   |
| Wages and salaries                  | 35,181  |         |
| Returns outwards                    |         | 2,597   |
| Drawings                            | 11,000  |         |
| Motor vehicles cost                 | 18,000  |         |
| Motor vehicles depreciation         |         | 9,180   |
| Capital at 1 October 1998           |         | 109,671 |
| Purchases                           | 252,400 |         |
| Carriage inwards                    | 270     |         |
| Carriage outwards                   | 325     |         |
| Creditors                           |         | 18,141  |
| Bad debts                           | 3,400   |         |
| Rates and insurance                 | 4,770   |         |
| Stock at 1 October 1998             | 19,800  |         |
| Repairs to buildings                | 5,679   |         |
| General expenses                    | 3,214   |         |
| Receipt from sale of fixed asset    |         | 17,200  |
|                                     | 560,845 | 560,845 |

The following items still need to be taken into account:

- 1 Stock was valued at £15,700 as at 30 September 1999.
- 2 Wages and salaries due but unpaid for September 1999 amounted to £1,072.
- 3 Rates and insurance paid in advance as at 30 September 1999 amounted to £235.
- 4 During the year Bulgaria withdrew goods for his personal use amounting to £740 this has not yet been taken into account in the business's ledger.

- 5 Depreciation is provided for each month in which an asset is owned by Bulgeria. Depreciation is still to be provided for this year as follows:
  - Buildings: straight line over 15 years (no residual value assumed);
  - Fixtures and fittings: 25% reducing balance;
  - Motor vehicles: 30% reducing balance.
- 6 On 31 May 1999 a building was sold for £17,200. This building was originally purchased on 1 August 1995 at a cost of £30,000. No adjustments have been made in respect of this disposal.
- 7 The provision for bad debts as at 30 September 1999 is to be  $\pounds$ 720.
- 8 During the year Bulgaria received £300 cash in respect of a debt he had written off as bad in a previous year. He has yet to bank this money or make any entries in the ledger regarding this receipt.

# • Requirement for question 3

| (a) | Prepare a profit and loss account for the year ended 30 September 1999. | 12 |
|-----|---|----|
| (b) | Prepare a balance sheet as at 30 September 1999.                        | 8  |

(20)

| at 31 March 1999           | 450,000 | 195,000  | 75,000    |

- 5 The property sold during the year ended 31 March 1999 realised  $\pounds 14,475$ .
- 6 Corporation tax payable for the year ended 31 March 1999 was £7,500.

#### • Requirement for question 4

| (a) | Prepare a reconciliation of the operating profit to the net cash inflow from operating activities. | 10 |
|-----|--|----|
| (b) | Prepare the cash flow statement for the year ended 31 March 1999.                                  | 10 |

(20)

policies?

#### **SECTION B** (Answer question 5 or question 6)

Explain, with examples, the difference between capital and revenue expenditure. What would the impact be on the financial position of an organisation if capital expenditure was accidentally classified as revenue expenditure and vice versa? (15)

(a) Define the purpose of accounting bases. Using depreciation as an example, distinguish between accounting concepts, accounting bases and accounting policies.
(b) Under what circumstances would an organisation be able to change its accounting

(15)
