

Dear Examinations Officer,

**MODIFIED ENLARGED PRINT PAPERS FOR CANDIDATES**

**June 2022**

**SPECIFICATION: Cambridge Technical Level 3 Applied Science Unit 1**

The modifier has recommended that the provision of a model may help visually impaired candidates to answer questions on this paper.

The enclosed notice, which may be opened immediately but treated as confidential, gives details.

Such a model should be provided by the centre.

The use of the model is optional. It may not be necessary to provide a model to a candidate dependent upon the nature and severity of their sight issues.

Should you require any advice or assistance please do not hesitate to contact us.

Yours sincerely
