2 _____

[2]

- (b) Explain ONE advantage of using social media to source personnel for a new project.**

[3]

6 Identify TWO social media channels that have been used to successfully promote the release of a film you have studied.

Explain how each channel contributed to the film's release.

Use examples to support your answer.

[6]

SECTION B

TVB Gaming is a UK games production company who are launching an online, immersive video game called ‘Holiday Romance’. The game is set in a fictional holiday resort on the holiday island of Tenerife. It will appeal to both male and female gamers, aged 20-30 years old, who are looking to find love. The game will be rated PEGI 18.

The game will feature checkpoints, challenges and have the option of purchasing in-game add-ons, such as clothing. The overall winners of the game will win a real holiday in Tenerife.

Online fashion company Screen Wear and high street cosmetic company Fresh Look are sponsoring the game.

The game is due to launch in six months’ time and new levels will be released every week for 8 weeks.

TVB Gaming want to launch a full social media campaign next month. Facebook, Twitter, Snapchat and Instagram accounts have been set up.

7* Develop a social media marketing campaign that will generate interest in the 'Holiday Romance' game.

You must include:

Promoting the key objectives of the game.

Main online and social media channels that will target your audience to make them aware of the new game.

Ideas for creative content that includes demonstrating some of the game challenges.

Gaining audience feedback and evaluating responses.

You should justify your choices and decisions made. [30]
