READ INSTRUCTIONS OVERLEAF

INSTRUCTIONS

Use black ink.

Write your answer to each question in the space provided. If you need extra space use the lined pages at the end of this booklet. The question numbers must be clearly shown.

Answer ALL the questions.

INFORMATION

The total mark for this paper is 60.

The marks for each question are shown in brackets [].

Quality of written communication will be assessed in questions marked with an asterisk (*).

ADVICE

Read each question carefully before you start your answer.

1 (a) Name TWO National Disability Sports Organisations.

1

2

[2]

(b) (i) Active Partnerships (formerly County Sports Partnerships) are networks of local agencies that provide a single point of contact for organisations in sport.

Identify FOUR roles of an Active Partnership.

1

2

3

4

[4]

(ii) Identify TWO organisations that Active Partnerships work with.

1

2

[2]

(c) National Governing Bodies (NGBs) oversee the development of their sport in many different ways.

State FIVE ways an NGB develops their sport.

1

2

3

4

5

[5]

- (d) There are many different organisations involved within sport both in the UK and internationally.

Identify TWO sports organisations. For BOTH organisations, name another sports organisation that each one works with.

Describe a way in which the identified sports organisations would work together to develop sport in the UK. [6]

Sports organisation

Sports organisation it would work with

Way they would work together

Sports organisation

Sports organisation it would work with

Way they would work together

- 2 (a) Young people aged 11–15 years old face many barriers to participating in regular physical activity both outside school and in the PE curriculum.**

Identify TWO reasons why this age group may not participate in regular physical activity.

Explain ONE way in which sports development can help overcome each of these barriers. [4]

Reason for not participating

One way in which sports development can help this

Reason for not participating

**One way in which sports development
can help this**

**(b) Name TWO other groups who
may experience barriers to
participating in physical activity.**

1

2

[2]

- (c) There are many reasons why sport and physical activity are beneficial for young adults aged 16–24 years.**

For each of the physiological systems below identify THREE benefits of participating in sport and physical activity for young adults.

(i) Cardiovascular system

1 _____

2 _____

3 _____

[3]

(ii) Musculo-skeletal system

1 _____

2 _____

3 _____

[3]

BLANK PAGE

- (d)* Using examples, analyse how TWO different sporting roles support a sports performer as they progress through the sports development continuum as shown in FIG. 1. [8]**

FIG. 1: Sports Development Continuum

3 When sports development initiatives and strategies are launched, they have specific aims which are usually about improving physical health, sporting success or having a social impact.

(a) For each of the following outcomes, describe ONE measure which could be used to show if a strategy was successful in achieving improvement.

Physical health

Sporting success

Social impact

(b) For the Sporting Future Strategy the government replaced the Active People data source with the Active Lives survey in 2015. The new survey used an online method to collect data.

Suggest FOUR benefits of using online surveys to collect data.

1

2

3

4

4 There are many different sports events and initiatives in the UK.

(a) (i) Identify a national sports event.

(ii) Identify a national sports initiative.

[2]

(b) When organising a national sports event a number of factors need to be taken into account.

Identify and explain THREE factors that need to be considered when organising a national sports event.

1

2

3

[6]

BLANK PAGE

- (c) There are many benefits to performers, sport and society from being involved in sport at a national level.

Apart from financial benefits, explain TWO ways in which each of the following can benefit from involvement in sport at a national level. [6]

Performer

1

2

Sport

1

2

Society

END OF QUESTION PAPER

ADDITIONAL ANSWER SPACE

If additional answer space is required, you should use the following lined pages. The question numbers must be clearly shown in the margins – for example, 2(d) or 4(b).

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
