The American Council on Education's College Credit Recommendation Service (ACE CREDIT) has evaluated and recommended college credit for 38 of DSST courses. The American Council on Education, the major coordinating body for all the nation's higher education institutions, seeks to provide leadership and a unifying voice on key higher education issues and to influence public policy through advocacy, research, and program initiatives.

ACE CREDIT connects workplace learning with colleges and universities by helping adults gain access to academic credit at colleges and universities for formal courses and examinations taken in the workplace or other settings outside traditional higher education.

For more information, visit ACE CREDIT website at <http://www.acenet.edu/acecredit>

* Consists of an optional essay portion. Check with your college or university to distinguish if this is required. Prometric will not score the essay section. It will be forwarded to colleges and universities for their use in determining the award of credit.

** In addition to a minimum score of 47 on the multiple-choice test, an examinee must also receive a passing grade on the speech portion of the examination.

B = Baccalaureate Program
BU = Baccalaureate Upper Division
