Example of a task about an aspect of narrati

Student Bounty Com The beginning of a narrative gives the reader an idea about who the main character are, where the events are happening and what is going to happen next. The writer introduces the characters, the setting and events in an interesting way so that the reader will want to continue reading.

Look at the picture below.

WRITING TASK

Write the beginning of a story. Use the picture to give you ideas about what the characters see and do in the story.

Write only the beginning of the story. DO NOT write the whole story.

- Your beginning should tell the reader enough to make them interested in the story and what might happen next.
- Use interesting words to describe what the characters are doing, how they feel and where they are.
- Be creative and use your imagination.

HINTS

- Use the planning time to organise your ideas.
- Stay on the topic. Remember that you do not have to finish the story.
- Make sure your sentences are correct and varied.
- Pay attention to spelling and punctuation.
- Use the time at the end of the task to check and improve your writing.
