Read Text C2 and answer questions 5 to 9.

Text C2

Your local milkman gives you this leaflet on different types of milk.
You read about the different coloured tops on **glass** milk bottles.

Milk Bottle Tops

Skimmed milk

Blue and silver checked top

Fresh milk with almost all of the cream taken away.

Semi-skimmed milk

Red and silver striped top

Fresh milk with just over half of the cream removed.

Whole milk

Silver top

Fresh milk with all the cream left in.

Sterilised milk

Metal top or blue top

Long lasting milk.

It has been treated with heat and specially sealed.

Channel Island milk

Gold top

Milk from the islands of Jersey or Guernsey.
