Guidance for learners

The following information should be read to/given to learners before each controlled assessment begins. Assessors should repeat this information if necessary (for example if the tasks are taken on separate occasions).

- Read each question carefully.
- Make sure you know what to do before you write your answers. If you are not sure, ask.
- Write your answers in the spaces after each question.
- Do not use pencil. Use blue or black ink.
- For each task answer ALL the questions on both texts.
- Some questions must be answered with a tick in a box (*assessor can demonstrate this by using a whiteboard, for example*).
- If you change your mind about an answer, put a line through the box you have used and then mark your new answer with a tick (*assessor can demonstrate this by using a whiteboard, for example*).
- Check your work carefully after finishing each task.
- There are **10** marks available for each task.
- You must use clear English and present your answers carefully.
- You must use a dictionary.
