

Mark Scheme

September 2013 to August 2014

Functional Skills ICT at Entry 1

Set 3

## General guidance on the use of the mark scheme

1. If the answer is in words accept any understandable spelling.
2. Units can be ignored unless explicitly required by the mark scheme.
3. Information in brackets is optional; it is not required for the award of marks.
4. Mark crossed out work, if it is legible and has not been replaced.

Assessors must confirm that learners have met the Functional Skills in Information and Communication Technology standards at Entry 1.

Assessors must use this mark scheme to award marks for learner work. Assessors may use the 'Achieved' column to record attainment or mark the question paper for each learner.

The Assessment Record and Authentication Sheet must be completed for each learner.
