Meadowbank Animal Rescue

We care for about 200 unwanted animals every month.

It costs about £500 to look after each animal until we can find it a new home.

Come and meet:

Rover

This dog had a severe skin condition, which made his owner reject him. Our vets have cured him and he is now well enough to leave us.

Spot

This puppy was badly behaved because she was poorly treated by her owner. She had therapy from our specialists and is now a happy, obedient dog.

Felix

This cat was found with a broken leg. His leg has now mended and he is waiting for a loving family.

Floppy

Floppy is a delightful rabbit who was found in a cardboard box. Her damaged ear needed stitches and she has now made a full recovery.

None of our animals leaves here until we are sure it is going to a good home. This is why we need your help.
