Dear Parent/Guardian

**Scouts Activity Camp 24-26 February**

The activity camp in the New Forest is now confirmed. Places are limited to 200 scouts.

It will be an action-packed camp including canoeing, abseiling, archery and orienteering. The highlight will be the Night Trail through the Forest ending with a barbeque and camp fire.

All troops will travel by coach with the cost shared between the troops taking part. We will depart from the coach park in Park Road at 4.30pm on Friday 24th February. We will return at approximately 3pm on Sunday 26th.

As usual, we will supply all camping gear. Your child will not need to bring any specialist equipment. We will send out a detailed clothing list nearer the time.

The cost will be £25 per head, which must be paid to me by 10th February. Please make cheques payable to 1st Bentley Scouts.

In addition to the troop leaders, we need more adults to join us as helpers. If you are interested in being a helper at the camp, please let me know as soon as possible. It will, of course, be all expenses paid.

Please return the reply slip to your troop leader as soon as possible. If you have any queries, please call or email me.

Yours sincerely

Martin Widman

..... would/would not like to book a place on the Scout Activity Camp.

I would/would not be interested in taking part as a helper.

Name:.....Signed .....
