INSTRUCTIONS TO CANDIDATES

- Write your name, centre number and candidate number in the boxes above. Please write clearly and in capital letters.
- Use black ink. HB pencil may be used for graphs and diagrams only.
- Answer **all** the questions in Section A **and** Section B.
- Read each question carefully. Make sure you know what you have to do before starting your answer.
- Write your answer to each question in the space provided. If additional space is required, you should use the lined pages at the end of this booklet. The question number(s) must be clearly shown.
- Do **not** write in the bar codes.

INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **60**.
- Your quality of written communication is assessed in the question marked with an asterisk (*).
- This document consists of **12** pages. Any blank pages are indicated.

- [1]**

6 The symbol shown stands for:

..... [1]

7 Give **one** function of calcium in the diet.

..... [1]

8 What colour chopping board should be used to prepare salad vegetables?

..... [1]

9 What does ETI stand for?

..... [1]

10 State the safe working temperature for a refrigerator.

..... °C [1]

Is each of the following statements **true** or **false**?

Tick (✓) the box to show your answer.

11 We should be increasing the amount of fat we eat

True	False	
<input type="checkbox"/>	<input type="checkbox"/>	[1]

12 The correct temperature for a freezer is -18°C

<input type="checkbox"/>	<input type="checkbox"/>	[1]
--------------------------	--------------------------	-----

13 Drying foods extends their shelf life

<input type="checkbox"/>	<input type="checkbox"/>	[1]
--------------------------	--------------------------	-----

14 Farmers are paid a fair price for Fairtrade products

<input type="checkbox"/>	<input type="checkbox"/>	[1]
--------------------------	--------------------------	-----

15 All packaging can be composted

<input type="checkbox"/>	<input type="checkbox"/>	[1]
--------------------------	--------------------------	-----

Total [15]

Section B

Answer **all** questions.

You are advised to spend about 45 minutes on this section.

16 Food manufacturers use different packaging materials.

- (a) Complete the chart to show **two** advantages and **one** disadvantage of each packaging material.

Product	Advantage	Disadvantage
 Aluminium cans	1..... 2.....	1.....
 Plastic bottle	1..... 2.....	1.....

[6]

- (b) State **one** way manufacturers encourage consumers to recycle packaging materials.

..... [1]

- (c) Fig. 1 shows a cake to be packaged.

Fig. 1

Give **two** ways a manufacturer could package the cake to reduce its impact on the environment.

1.....

.....

.....

.....

2.....

.....

.....

..... [2]

- (d) The cake is preservative free.
State the effect of this on the cake.

..... [1]

- (e) State how you should store this cake once the package has been opened.

..... [1]

- (f) Other than storage instructions, give **four** pieces of information which are required by law on the cake packaging.

1

2

3

4 [4]
