- A) From this scene you learn that Juliet is in love with Romeo as ~~they~~<sup>she</sup> says 'my love as deep'. So this means that she is deeply in love with him and she doesn't want to let him go and she will always think about him, also this could mean that her feelings for him are so strong to let him go. Also from this extract we learn that Juliet is ready to commit to him spend the rest of her life with him from when she says 'Thy purpose marriage, send me word tomorrow' so this means that she will wait until tomorrow if she doesn't <sup>hear</sup> anything ~~she'll~~ she'll know he didn't mean anything he said to her and to move on from him. In this extract we learn that Juliet is an emotional person as she says 'The more I give to thee, the more I have, for both are infinite' so she is sharing her feelings towards Romeo by ~~say~~ saying the more she gives him the more she'll

have to hold onto and to wait for and more she and he will have in the future.

- b) In the play I would direct the characters by: Juliet being on her knee's bent down looking through the balcony into Romeo's eyes. She would either be whispering or talking quietly in case anyone heard them. Also she could be either touching his face or holding his hand.

Romeo could be hanging off the balcony holding onto flower gate against the wall and touching Juliet face slightly out of breath whispering into Juliet's ear stumbling a bit staring into Juliet's eyes.

d In another part of the play you see love between  
a Romeo and Juliet at the end when Romeo  
found out that Juliet has killed herself  
but he doesn't get the letter what Friar Laurence  
sends him about that it's only temporary and  
it will wear off soon so she can be with  
him, but by then he's rushed back to  
see Juliet & the police chase him and he  
gets some poison which he drinks, but  
as he drinks it Juliet wakes up, then she  
stabs herself to be with him. So this proves  
that love is an important theme in the play as  
if they are willing to kill each other & just  
to be with each other because they can't be  
with each other normally proves that there comes  
there love to each other.
