AO 2: Apply skills, processes and techniques

Limited	0 – 4 marks
<ul style="list-style-type: none">• Simple use of one skill with little or no exploration.• A style is used but without any planning or knowledge or understanding. It just ‘happens’.• The structure is as a result of what has occurred rather than the deliberate intention of the candidate. If the ideas do work it will be by chance rather than design, with little reference to Areas of Study.• (Unit A693 only) Uncertain or no links with the commission, and those links that are there lack originality, and are predictable and superficial.	
Basic	5 – 8 marks
<ul style="list-style-type: none">• Simple and basic exploration and application using one or two skills.• Selects one genre or style with little consideration of alternatives, and simple reference to development.• Simple development leads to a basic structure and shaping, using minimum skills, and minimum reference to Areas of Study, which might work.• (Unit A693 only) Links with the commission, but with little originality, often predictable or superficial.	
Competent	9 – 12 marks
<ul style="list-style-type: none">• Competent exploration using some of the skills, processes and techniques involved in the artforms chosen.• Considers more than one genre or style, and selects with some reference to development.• Some variety in development leads to a straightforward but competent structure which will work, and which uses some skills, processes and techniques, and draws upon knowledge of the Areas of Study.• (Unit A693 only) Clear and genuine attempt to interpret the commission with a little originality, possibly sometimes predictable or using cliché.	
Skilful	13 – 16 marks
<ul style="list-style-type: none">• Competent exploration and application with some interesting outcomes, using a satisfactory variety of the skills, processes and techniques involved in the artforms chosen.• Considers a range of genre and styles, and makes a thoughtful selection taking full account of the ideas developing.• Some interesting ideas in a competent development, which leads to sound structures which should work well, and that use a range of skills, processes and techniques, confidently accessing the Areas of Study.• (Unit A693 only) Imaginative attempt to interpret the commission with some originality and without cliché.	
Accomplished	17 – 20 marks
<ul style="list-style-type: none">• Creative, imaginative and accomplished exploration and application using the skills, processes and techniques involved in the artforms chosen.• Detailed knowledge of a wide range of genres and styles underpins a creative and imaginative selection, entirely appropriate to the way the ideas are developing.• Creative and imaginative development leads to a strong and sophisticated structure, which is likely to be very effective, and which makes accomplished use of skills, processes and techniques, drawing extensively on the Areas of Study.• (Unit A693 only) Creative and consistent attempt to interpret the commission with originality without any superficiality or predictability.

Basic	7 – 12 marks
