Task 1: An Article about your Lifestyle

(NB: This is an essential summary of what the student is asked to do. The task title and the context are separated but need to be understood together for assessment purposes.)

Content: 10/15

This is quite a long piece of work. A lot of relevant information is presented, though not always clearly. The student should be given credit for the amount of information which *is* conveyed clearly and for the ambition to communicate a lot of information mostly relevant to the task. Ideas/points of view/opinions are expressed throughout the piece, if not always clearly. The student regularly *attempts* to explain opinions. The explanations for opinions about alcohol and drugs are clear enough; so there are a minimum of 2 explanations.

Range of Language: 6/10

More complex sentences are attempted but they are **not** mostly successful. They are **sometimes** successful but they do go beyond the simple *und*, *aber*. A sound range of vocabulary has been remembered appropriate to the task.

Accuracy: 3/5

There are many errors but the intended meaning is clear in almost all sentences.

Total marks: 19/30

Controlled Writing Assessment GCSE

Context: Work and Education

Topic: Jobs

Write an article about your part-time job and work experience.

You could include:

- 1. Do you have a job? Describe it.
- 2. Where did you do your work experience and how was it.
- 3. What did you have to do in your work experience?
- 4. If you could choose a job, say why you would/wouldn't do that job.
- 5. What are you going to study in the future?

Remember, in order to score the highest marks you must answer the task fully, developing your response where it is appropriate to do so.

Higher (Grades A-C): aim to write between 200-300 words Foundation (Grades D-E): aim to write between approx 150 – 180 words.

This assessment will be marked by the Examination board and will count for 50% of your overall grade for writing.

Your overall grade for writing will count for a <u>third</u> of your total GCSE mark.

You will <u>not</u> be allowed to re-sit this assessment once you have attempted the task.

When taking the assessment you may use your plan and a dictionary. No other resources will be permitted.

Task 2: Jobs/An article about your part-time job and work experience

Content: 10/15

Three sentences are affected by the conjugated verb and that slightly affects the overall assessment. The student responds well to bullet points 4 and 5 which are not about part-time jobs and work experience but **do** relate to the focus of 'jobs.' This element of **confusion in the task design** does not help the student, such that the response can only **just** be described as 'mostly relevant.' It should be emphasised that the last two paragraphs have not been disregarded for assessment purposes, but the task-generated blurred focus does have an impact on how this piece of work is viewed as a whole in terms of relevance. In fact, a lot of information **is** conveyed clearly and there is sound evidence of ideas and points of view being expressed and explained.

Range of Language: 7/10

Although the range of vocabulary is not especially ambitious, more complex sentences (with weil, dass, obwohl) are attempted and are mostly successful. The four different tenses used add to the evidence for Range of Language.

Accuracy: 3/10

This piece is certainly more accurate than inaccurate and the intending meaning is generally clear. Verb and tense formations are not always correct, but this is still very close to 4 marks.

Task 1: Holidays -the chance to win 2 weeks in the sun!

The Plan includes one conjugated verb – *heisst.* The affected sentence has to be disregarded for assessment purposes. It makes little difference to the overall outcome.

Content: 11/15

This is a good and relevant response which deserves marks in the Good category. The student responds to the competition aspect of the title. Occasional messages are confused, eg: *Ich mache lieber mit meine Familie/Nächstes Jahr sind wir nach Spanien fahren.* However, a lot of information is conveyed clearly. Idea and points of view are expressed and are explained regularly. More **detailed** content would have taken the piece into the Very Good category.

Range of Language: 8/10

There is a good variety of structures – many *weil* clauses, but also good use of *dass, wenn* and *obwohl*. Five different tenses are in evidence but occasionally verb forms are not successful, eg: *Am Dienstag sind wir unsere Cousins besuchen. Der tag hat* (instead of *hatte*) *viel nebel.* There is a good variety of appropriate vocabulary.

Accuracy; 4/5

Despite the examples mentioned above, verb and tense formations are usually correct and the piece is generally accurate.

Total marks: 23/30

Task2: article for a teenage web-site about Lifestyle.

Plan: not used.

Content: 12/15

Again this is a good and relevant response. There is the very occasional confused message, eg: obwohl ich nie zeit hafür habe/und ich habe gestresst/also muss ich mit krütchen gehen . A lot of information is conveyed clearly. Points of view are expressed and explained four times. This is borderline between 12 and 13.

Range of Language: 8/10

More complex sentences are often dependent on *weil* but there is other evidence of *dass, wenn* and *obwohl* clauses. Two infinitive constructions are good and the use of tenses is very good, especially the conditional linked with *möchte/hätte/wäre*. This is borderline between 8 and 9.

Accuracy 5/5

Verb and tense formations are secure in this piece. There are minor errors (eg spelling/word order) but, especially given the borderline assessment for Range of Language, the piece can be viewed as largely accurate and deserving of full marks in this category.

Task 1: Impressions of an exchange visit

Plan - not used.

Content: 15/15

This is a very good and convincing response to the title. It is fully relevant and detailed. Almost all information is conveyed clearly. Ideas and points of view are expressed regularly and explained several times. The piece is well organised and is a credible account of an exchange visit.

Range of Language: 9/10

There is an excellent use of verbs in different tenses with mainly correct word order. There is a wide variety of appropriate vocabulary and structures, although the latter are mainly dependent on weil and dass. Complex structures, including the passive voice, are handled with confidence. On the whole, this is a fluent piece of writing.

Accuracy: 5/5

Although there are occasional errors, there is evidence of much accurate German here. Verb and tense formations are completely secure.

Total marks: 29/30

In meiner Stadt gibt es ummer viel Verkehr und es ist so gut wie unmöglich eine Parkplatz in der Innenstadt zu finden. Letzte Woche war ich in der Stadt mit meiner Mutter, um ein bisschen einzukaufen, weil ich ein neues Hemd brauchte. Als wir ankammen, fuhren wir an drei vollen Parhplatzen vorbei. Ich war sichtbar verärgert, weil wir schon viel Zeit verbracht hatten. Mich beunruhigt, weil zu viele Autos die huft verschmutzen könnte.

Meine Stadt ist 2iemlich umweltfeindlich, weil wir in der Nähe von einem Kraftwerk wohnen, welcher produtziert viel Kohlendiaxid.

Viele heute protestieren gegen die Umwelt verschmutzung sonst₃₇wird es zu spät sein. Es

gibt auch viel Müll auf den Straßen und es ist überhaupt nicht angenehm. Meiner meinung nach ist die Stadt ziemlich schmutzig. Andereseits hat die Bürgermeister gesagt, dass er mehr Radwege auf der Mang. Hauptstraßen ausbringen wird aber wir wissen nach nicht, wann das sein wird.

Therma & gibt immer etwas zu tun in meiner Stadt, zum Beispiel, man kann ins Kino oder zum Park genen. Der Park is wirklich schön in Sommer und alles gehen da oft um Fußball zu spielen oder henumzulungem. Es gibt vielen Geschäften und Mestaurants in der Stadt, samt das Geschäft des mein Vater, wo man einkaufen kann. Es wird bald ein mede modernes Schwimmbad und eine neue Bibliothek geben!

My Area

Ich nate schon viel für die Umwelt gemacht, Beispielweise habe ich ein Paar mandbeispiel, mannabe Energiespärlampen

gekauft, weil, einerseits sie senr gut für die

Umwett sind aber ober andererseits machen sie

nicht 30 viel Licht. Wenn ich einen Raum

verlasse mache ich das Licht aus und ich

spare ich immer waspronWasser. Schlichlich

ader mit den Bus
fahre ich normalerweise mit dem Radjanstatt

mit dem Auto.

Meine Traumstadt wäre sehr schon, weil es

Ann am Meer liegen würde und es wäre immer

Sonnig. Der Bus würde jeden Uhr immer

pünktlich kommen sund es wäre keine &

Beschmutzung, weil alles korecyceln würden

und alles würden ihren Müll trennen.

Es & gab einem einen Broßer Park, wo man laufen könnte und mumaan Vännte ikunen es Gab genug Radwegen in der Stadt.

Letztens habe ich Dresden besichtigt und ich fand es prima. Leider gibt es mehr Geschäften in meiner Stadt aber es gab viele mehr alten Gebauden in Dresden. Es gab auch ielen schönen kirchen in der Innenstadt, obwohl es gibt mehr Waldland in meiner Stadt.

Student 3 Commentary

Task 2: My area (a blog about your area and the environment.)

The plan is fine.

Content: 15/15

The piece explores different dimensions of "My area," including the environment, comparing contrasting and imagining. A lot of detail, relevant to the broad sweep of the title, is presented and almost all of it is conveyed clearly. Ideas and points of view are in abundance. They are explained several times.

Range of Language: 10/10

Verb structures and different tenses including the conditional and imperfect subjunctives are used with confidence throughout the piece. More complex sentences are developed with subordinate clauses introduced by *weil*, *dass*, *als*, *obwohl*, *wann*, *wo* - often linked together. Infinitive constructions are used well. Well chosen adverbs add authenticity and fluency to the piece.

Accuracy: 5/5

There are occasional minor errors here but the abundance of good quality accurate German deserves to be rewarded with full marks in this category too.

Total marks: 30/30
