- **The total number of marks for this paper is 50.**

Study the Background Information and the sources carefully. You are advised to spend at least ten minutes doing this.

In answering the questions, you will need to use your knowledge of the topic to interpret and evaluate the sources. When you are asked to use specific sources you must do so, but you may also use any of the other sources if they are relevant.

Answer ALL the questions.

1 Study Source A.

What does this source tell you about surgery in 1800? Use the source and your knowledge to explain your answer. [6]

2 Study Source B.

How useful is this source as evidence about the use of chloroform? Use the source and your knowledge to explain your answer. [8]

3 Study Sources C and D.

Does Source C make you surprised by what John Hall says in Source D? Use the sources and your knowledge to explain your answer. [9]

4 Study Sources E and F.

How similar are these sources as evidence about the use of chloroform? Use the sources and your knowledge to explain your answer. [9]

5 Study Source G.

Why was this source published at that time? Use the source and your knowledge to explain your answer. [8]

6 Study all the sources.

‘People welcomed the use of chloroform.’

How far do the sources on this paper support this view? Use the sources and your knowledge to explain your answer. Remember to identify the sources you use. [10]
