

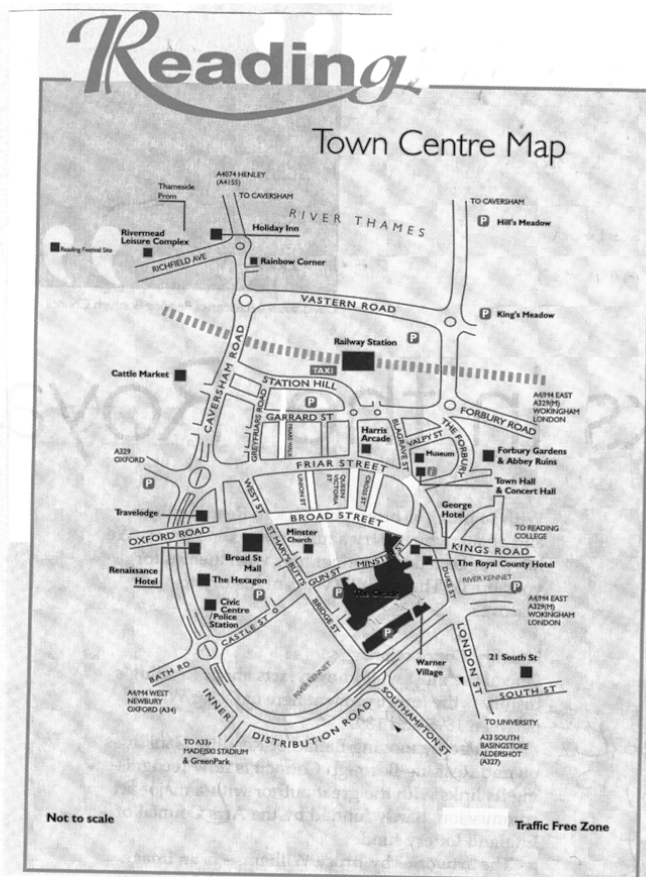

Figure 1:

At the heart of Reading is one of the most impressive shopping centres in the country, The Oracle.

Other main shopping areas such as Broad Street and Queen Victoria Street are pedestrianised so that using the centre is as enjoyable as possible.

Reading railway station is in the town centre and the River Thames is just a short walk away. This map (not drawn to scale) is designed to allow visitors to find their way around on foot.

Figure 2:

**A GREAT DAY OUT FOR THE WHOLE FAMILY...**

visit

**Rivermead Leisure Complex**

set on the banks of the River Thames  
and just 15 minutes walk from Reading Town Centre.
