- 6 Match the key sociological concept with an arrow to the correct definition. The first one is done for you. There are more definitions than concepts.

KEY CONCEPT

DEFINITION

Ascribed Status

A social position people are born into, this is fixed

Secondary socialisation

A part played by a person in a particular position in society

Negative sanction

The first process of learning the correct behaviour, norms and values of society

Role

Takes place during later childhood and continues into adulthood, where society's norms and values are learnt

Subculture

A smaller social group with some different norms and values from mainstream society e.g punks

Punishment applied when someone breaks a norm
