### **VOCABULARY LISTS**

New topic-based vocabulary lists and updates to alphabetical lists

Two new vocabulary lists are now available for GCSE Dutch, Portuguese and Turkish relevant to Question Papers from 2013 onwards.

The alphabetical vocabulary lists have been updated so that they include more lexical items specifically appropriate to the culture of the target language community.

New topic-based vocabulary lists have also been made available. These have the same content as the alphabetical lists, but are arranged by topic to provide an alternative resource for teachers and students to use in their language learning.

Please note that the original alphabetical vocabulary lists is still available for those taking the 2012 exams.
