Paper 1

October/November 2003

1 hour 15 minutes

Candidates answer on the Question Paper. No additional materials are required.

READ THESE INSTRUCTIONS FIRST

Write in dark blue or black pen in the spaces provided on the Question Paper. You may use a soft pencil for any diagrams, graphs, music or rough working. Do not use staples, paper clips, highlighters, glue or correction fluid.

Answer all questions.

At the end of the examination, fasten all your work securely together.

The number of marks is given in brackets [] at the end of each question or part question.

If you have been given a label, look at the details. If any details are incorrect or missing, please fill in your correct details in the space given at the top of this page.

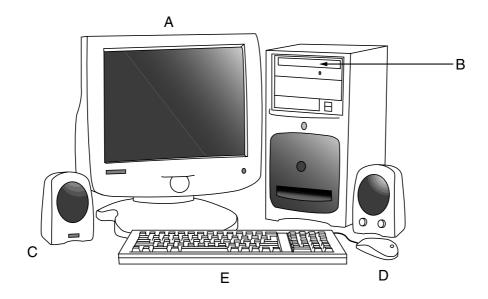

Stick your personal label here, if provided.

For Examiner's Use

This document consists of 12 printed pages.

1 Name the objects **A**, **B**, **C**, **D** and **E** using the words from the list.

CD ROM Drive		Joystick	Keyboard		Microphone	
Mid	i Interface	Monitor	Mouse		Plotter	
Printer		Processor	Speaker		Video	
Α			В			
С			D			
Е						[5]

2 Ring **two** items which contain personal data.

Car park ticket	Credit card	Digital clock	
Keyboard	Pupil record	Remote control	[2]

3 Draw **five** lines on the diagram to match the software to its use.

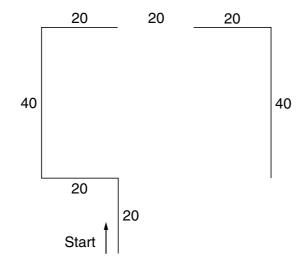

The first one has been done for you.

	S	Software	Use
	Pres	sentation graphics	recording data in a science experiment
	Wor	d processor	- preparing a talk to show how a computer works
	Spre	eadsheet	writing letters to parents
	Data	abase	keeping school tuck shop accounts
	Des	k Top Publishing	storing pupil records
	Mea	suring program	producing the school magazine [5]
4	Give	e two ways in which a hard disc is differ	rent from a CD ROM.
	1		
	2		
			[2]

0418/01/O/N/03 **[Turn over**

5 A floor turtle can use the following instructions:

INSTRUCTION	MEANING
FORWARD n	Move <i>n</i> mm forward
BACKWARD n	Move <i>n</i> mm backward

PENUP	Lift the pen
PENDOWN	Lower the pen

Complete the set of instructions to draw the above shape by filling in the blank lines.

 [4]

6 Tick whether the following statements are TRUE or FALSE.

	TRUE /	FALSE ✓
OMR is used to read data from school registers.		
OCR is used to read data from bank cheques		
DTP is used to store pupil records on a school computer system.		
Regular use of computers improves your eyesight.		

[4] Describe two features of a mouse. 7 1 2 Describe two precautions you can take to prevent viruses from entering your computer system. 1 2 (a) Name two types of software which could be used in a school's sports department. 1 2 **(b)** State how each type of software would be used. 1 2

10 Pupil records are kept on a computer in the school office. Here is a part of a file of year 12 student records.

Exam Number	Pupil Name	Gender	Form	Home Phone	Date of Birth
1001	Zhang Zhiyaq	М	MJ	3574891	861201
1002	Kumar Mohandas	М	NK	6542738	861025
1003	Mohammed Hafiz	М	NK	6541984	870121
1004	Janine Dixon	F	KL	4256234	870611

	(a)	(i)	Write down the name of the field which would be used as the key field.
		(ii)	Why would it be used?
			[2]
	(b)	Whi	ch field is most likely to be designed as Boolean/logical data type?
			[1]
	(c)	Why	is it more suitable to use date of birth rather than age?
			[1]
	(d)	Stat	e two ways in which pupil records can be protected from unauthorised use.
		1	
		2	
			[2]
11			e advantage and one disadvantage of using a laptop computer rather than a computer.
	Adv	/anta(ge
	Disa	advar	ntage
			[2]
			[-]

12	diffe	You have been asked to set up a science experiment to measure the rates of cooling of different liquids. You must use a computer to do this. You will need a monitor, keyboard and a mouse to help set up the experiment.				
		me three other items of hardware or software. For each one you will need to say what it be used for.				
	1					
	2					
	3					
		[3]				
13		hool uses a database to store records about its students. Describe a situation where a rd on the database would need to be:				
	(a)	inserted				
	(b)	deleted[1]				
	` ,	[1]				
	(c)	amended[1]				
14	(a)	Name two household appliances which use computer control.				
		1				
		2[2]				
	(b)	Describe two ways in which the use of such appliances has influenced people's lifestyles.				
		1				
		2				
		[2]				

15	At the end of the school year the head teacher sends a letter home to parents. This letter contains details of their new class teacher. Describe the steps in the production of such a letter using mailmerge.					
			[3]			
16	Mos	st hor	ne computer owners use a modem to connect to the Internet using a telephone line.			
	(a)	Why	v is a modem needed?			
			[1]			
	(b)	Give	e two advantages for individuals of using the Internet in the home.			
		1				
		2				
			[2]			

17	(a)	Emp	ployees in a school office use computers for long periods of time.
		(i)	Describe one health problem which can be caused by such use.
		(ii)	Describe one way in which this might be prevented.
			[2]
	(b)		employees print a lot of copies of the same documents. Give two reasons why they ald use a laser printer rather than an inkjet printer.
		1	
		2	
			[2]
18		ation	is going to publish its exam results on its website. Describe three stages in the of a page, naming the particular type of software which would be used at each
	Stag	ge 1	
	Stag	ge 2	
	Stag	ge 3	
			[3]

19		chool is going to buy computers to create a new IT room. They will be connected to the ting network.
	(a)	Give two factors other than cost that should be taken into account when choosing suitable computers to add to the network.
		[2]
	(b)	The purchase of new computers will cause the fileserver to be short of storage space and run more slowly. Describe two solutions to these problems.
		[2]
	(c)	Apart from the computer, describe one item of hardware which would be needed and explain how it could be connected to the network.
		[2]

20 A school's student record system is on a completely separate computer network (the 'Admin'

	The school is buying a computer for the staff workroom. Discuss the advantages an disadvantages of connecting to each network.
	[
•	
S	Most school libraries have computers which help the librarian to administer the lending system. Discuss the benefits to the librarian and students caused by the introduction computers into their libraries.

22	The results and pictures of a school sports day are to be included in a school magazine article. At the moment the results are stored in a spreadsheet. Describe how this article will be produced.
	[4]
