JUNIOR CERTIFICATE EXAMINATION

FRENCH HIGHER LEVEL 2012

MARKING SCHEME

In reading this marking scheme, the following points should be noted:

A **forward slash** / before an answer indicates that the answer is synonymous with that which preceded it or is an alternative answer. Answers separated by a forward slash cannot therefore be taken as two separate answers.

A **dash** - before an answer indicates that the answer is a separate answer, which may be considered as independent of any other suggested answers to the question.

Square brackets [] indicate material relating to the marking scheme which is additional information for the benefit of examiners.

Round brackets () indicate material which may be given in the candidate's answer but which is not considered to be essential to gain full marks.

N.B. The answers given on the marking scheme should not be considered as the only possible answers that may be accepted. Answers which are synonymous with or equivalent to those on the published marking scheme are also acceptable.

A **penalty system** involving the deduction of marks may apply in certain questions in order to prevent the possibility of candidates "listing" all the possible answers to a particular question. In such cases, a correct answer may be cancelled out by an additional incorrect answer.

Reasonable Accommodation for Certificate Examinations

For those who have been granted a spelling and grammar waiver, errors in spelling and in certain grammatical elements, as explained at conference, are not penalised.

In Junior Certificate Higher Level French this modification is usually relevant only to the two questions in Section III of the paper where there are 15 marks available for language in question (a) and 25 marks for language in question (b).

Section III

Written Expression

(80 marks)

(a) The Postcard

Communication = 15 marks

Language = 15 marks

Total = 30 marks

The candidate must deal with three points. Each point should be credited as soon as it is encountered in the answer by writing P1, P2, P3 in the left-hand margin.

The mark awarded under both headings - communication and language - is then determined by reference to the marking grid below.

(Note modifications to the assessment of language in the case of R.A.C.E. scripts, as already stated at the start of this marking scheme.)

.....

(b) The Letter

Marks for the letter are broken down as follows:

Format = 5 marks

Communication = 20 marks

Language = 25 marks

Total = 50 marks

Format for the informal letter:

The five marks for letter format are determined as follows:

- ❖ *Place and date* must be on the same line towards the top right-hand corner.
- ❖ *Month* used should be “février” and it must not begin with a capital letter e.g. “Longford, le 15 février” is a fully correct usage.
- ❖ *Greeting*: Apart from the normal greeting, i.e. Chère Charlotte, "salut" and "bonjour" are also acceptable.
- ❖ *Signing-off*: Any of the normally accepted formulae will suffice, e.g. "amitiés", "amicalement", "a bientôt", etc. along with the name, but spelling must be **fully** correct.

Marking of Format

place / address = 1

le + figure = 1 [the figure may be written out as a word but spelling must be correct, e.g. "le quinze février" or "le 15 février"]

month = 1

greeting = 1

signing-off = 1

Format for the formal letter

- ❖ Both names and addresses must be used (1 mark)
- ❖ Names and addresses must be written in the correct place on the page (1 mark)
- ❖ Place and date must be written as for the informal letter but in this case any month may be used (1 mark)
- ❖ The greeting must be formal, e.g. “Monsieur” or “Madame” (1 mark)
- ❖ An appropriate formal ending must be used (1 mark)

Communication:

There are five points to be dealt with in the informal letter and four points in the formal letter. As each point is encountered, it should be marked P1, P2, etc. in the left-hand margin.

N.B. In both the letter and the postcard, a point must be disallowed only where there is no reference at all to the point or where any reference made is totally incomprehensible.

The quality and adequacy of communication in the letter should be judged in accordance with the marking grid below.

Language:

Evaluate the use of vocabulary, spelling, verb tenses, pronouns, prepositions, agreement of adjectives, use of negatives, etc in accordance with the marking grid below.

(Note modifications to the assessment of language in the case of R.A.C.E. scripts as already stated at the start of this marking scheme.)
