# GENERAL PRINCIPLES AND MARKING SCHEME

## GENERAL PRINCIPLES

1. **The procedure for marking** will consist of:
  - (a) Careful reading and analysis of all answers;
  - (b) Allocation of marks to the components according to the agreed scheme;
  - (c) Addition of the marks with attention to:
    - (i) Maximum per section; (ii) Maximum per question.
2. **Components**
  - (a) Facts
    - (i) Identification of visually presented data; (ii) Stating facts.
  - (b) Significant Relevant Statement (SRS)
    - (i) A significant fact, aspect or phase of the topic;
    - (ii) An explanation of a term or concept relevant to the topic;
    - (iii) A valid interpretation/comment/opinion/judgement relevant to topic;
    - (iv) 2/3 tentative statements of fact, etc;
    - (v) An important cause/effect;
    - (vi) A pertinent, relevant map/illustration (may merit > 1 SRS)
    - (vii) Valid introductory material.
3. **Marking**
  - (a) Answers are awarded:
    - (i) A Cumulative Mark (CM);
    - (ii) An Overall Mark (OM).
  - (b) The Cumulative Mark (CM)  
Starting from the beginning of the answer, tick clearly thus () each SRS.  
Award the mark/s agreed on the marking scheme to each SRS.
  - (c) The Overall Mark (OM)  
In making a judgement on OM, the examiner must consider the quality of the answer in the light of the set question/item. Note that answers earning maximum marks on CM need not necessarily earn full marks on OM.  
The total awarded for CM and OM must be shown separately.
  - (d) Total the marks awarded to each part of the question in the right-hand margin thus: four marks to be shown as < 4. Then proceed to mark the remainder. Put the grand total for the question, for example (30), on the left-hand margin near the question number.
  - (e) Read all answers, even excess, repeated or cancelled. The answer gaining most marks is accepted within the rubrics of the examination paper.

#### 4. PEOPLE IN HISTORY (50 marks – 25 marks x 2)

Follow the principle of **Significant Relevant Statement (SRS)** from page 2.

**Full SRS must be  
a significant and developed fact relevant  
to the chosen heading.**

Examiners are not expected to “read between the lines” in order to infer meaning or significance.

Full SRS = 4 marks                  Max CM = 4M x 5 = 20M

**Cumulative mark (CM) = 20 marks                  Overall mark (OM) = 5 marks**

**Overall mark (OM):**

Very Good – Excellent = 5	Borderline Pass = 2
Good – Very Good = 4	Some merit, but less than Pass = 1
Fair – Good = 3	Little or no merit = 0

Do not assume that an answer with maximum CM marks should automatically earn full OM marks. Exercise professional judgement in award of OM.

Note that an answer may contain 5 full SRS, but it might not be a thorough or complete account overall. For example, an answer to A(iii) may earn full CM marks on the early life of Luther alone, but an answer exclusively on his early life would hardly attract a good/very good OM.

**For background material: Award one SRS only.**

**Candidates must answer one from Section A and one from Section B**

#### SECTION A

- A (i) A person living in an ancient civilisation outside of Ireland. All aspects of his/her life are acceptable.
- A (ii) The explorer must be **named** and answer must clearly relate to the chosen person.
- A (iii) The reformer must be **named** and answer must clearly relate to the chosen person.

## **SECTION B**

- B (i) A person fighting in a revolution in France, Ireland or America during the Age of Revolutions. The country may be named or easily inferred from the answer. Beware of vagueness and of answers which confuse two or more countries.
- B (ii) A worker in an English factory/mine c. 1850. Beware of vagueness and of material which may not be valid for the period, c 1850.
- B (iii) An Irish person who was involved in the struggle for independence, 1916-1921. Beware of vagueness and of material which may not be valid for the 1916-1921 period in Ireland..

## **OR**

A person who has seen the changes in Ireland, urban or rural, in the twentieth century. Beware of vagueness and of material which may not be valid for the chosen historical period, Ireland since 1900.
