#### **Seed**

The first warm day of spring  
and I step out into the garden from the gloom  
of a house where hope had died  
to tally the storm damage, to seek what may  
have survived. And finding some forgotten  
lupins I'd sown from seed last autumn  
holding in their fingers a raindrop each  
like a peace offering, or a promise,  
I am suddenly grateful and would  
offer a prayer if I believed in God.  
But not believing, I bless the power of seed,  
its casual, useless persistence,  
and bless the power of sun,  
its conspiracy with the underground,  
and thank my stars the winter's ended.
