**1. VOLTOOI DIE VOLGENDE EKSAMENNAVORSINGSPROJEK****NAVORSINGSPROJEK (insameling van inligting)****Vereistes**

Die navorsingsprojek moet direk na die Inhoudsopgawe in die A3 Werkboek verskyn. Die navorsing behoort nie in opstelvorm geskryf te word nie, maar eerder as 'n versameling **beelde / illustrasies** met aantekeninge ('n wisselwerking tussen teks, beeldmateriaal en sketse). Die aanbieding en bladuitleg van hierdie komponent is baie belangrik.

Die navorsingsprojek moet uit die volgende DRIE dele bestaan om sodoende die kandidaat se vermoë ten opsigte van probleemoplossing in verband met enige aspek van die ontwerpdrag / tema in EEN van die gekose kategorieë te stimuleer.

**LW:** DEEL 1 en DEEL 2 moet uit ± 200 woorde bestaan.

**DEEL 1 (5 punte)****Eksplorasie / Ondersoek van die tema:**

Die kandidaat moet 'n **persoonlike ondersoek** onderneem en waardering toon ten opsigte van enige aspek van **ontwerp soos van toepassing op die tema / opdrag**. Enige funksionele objek / artikel, kunstenaar, ontwerpmaatskappy, ens. wat verband hou met die gegewe tema, mag ondersoek word.

Die ondersoek mag 'n bespreking van enige van die volgende aspekte insluit:

- Die invloed van kultuur / media / omgewing / tradisies / geloofstelsels / klas / politiek / ras / geslag of enige ander faktor(e) wat die ontwerper se benadering tot die objek / artikel kan beïnvloed.
- Historiese ontwikkeling
- Funksionaliteit en dekorasie
- Kunsbeginsels en kunselemente
- Media / materiaal
- Stylkenmerke, ens.

## 1. COMPLETE THE FOLLOWING EXAMINATION RESEARCH PROJECT

### **RESEARCH ASSIGNMENT (collecting of information)**

#### **Requirements**

The research assignment must follow directly after the Index in the A3 Workbook. The research should not be written as an essay, but rather as a collection of **annotated images** (an interaction between text, visuals and sketches). The presentation and layout of this component are very important.

The research assignment must comprise the following THREE parts to stimulate the candidate's problem-solving activity in relation to any aspect of the design brief / theme in ONE of the categories of design chosen.

**NB:** PART 1 and PART 2 must consist of ± 200 words.

#### **PART 1 (5 marks)**

##### **Exploration / Investigation of the theme:**

The candidate must undertake a **personal exploration / investigation** and appreciation of any aspect of design, related to the theme / brief. Any functional object / article, artist, design company, etc. that relates to the given theme may be investigated.

The investigation may include a discussion of any of the following aspects:

- The influence of culture / media / environment / traditions / belief systems / class / politics / race / gender or any other factor(s) which could influence the designer's approach to the object / article
- Historical development
- Functionalism and decoration
- Art principles and art elements
- Media / material
- Style characteristics, etc.

## DEEL 2 (10 punte)

Die kandidaat moet 'n **persoonlike ondersoek en vergelyking tref tussen twee of meer aspekte van die opdrag / tema / of ontwerp in die sosiale, historiese en kulturele verband**. Bespreek ooreenkoms en verskille wat enige aspek reflekter soos van toepassing op ontwerp. Dit kan twee of meer kunsstyle, ontwerpers / kunstenaars, mediums, ens. wees.

Ondersoek verskillende neigings / style en motiveer die voorkoms van sekere karaktereinskappe van sommige van hierdie kunsstyle of neigings, kunstenaars of mediums in jou praktiese werk.

## DEEL 3 (10 punte)

Die kandidaat moet 'n **formelege analise en kritiese waardering** (100 – 200 woorde) skryf oor enige ontwerp(e) (brochure, plakkaat, muurpaneel, keramiekstuk, ens.) **soos in die plaaslike omgewing aangetref word**. 'n Voorbeeld of fotostaat van die ontwerpobjek, artikel of inligtingstuk, moet in die werkboek geplak word, tesame met die bespreking en analise daarvan.

Die bespreking **mag** die volgende **insluit**:

- Empiriese data: Titel, ontwerper / kunstenaar, grootte, materiaal en datum
- Gebruik van kunsbeginsels (balans, skikking, harmonie, verhouding en herhaling) en kuselemente (lyn, toonaard, tekstuur, kleur, fatsoen, vorm en ruimte)
- Medium / Materiaal
- Die effektiwiteit van die objek / artikel (brochure, plakkaat, muurpaneel, ens.).
- Die vereistes vir die sukses van hierdie soort objek / artikel (brochure, plakkaat, ens.) of bemarkingsveldtog
- Sosiale invloed / kulturele invloed / tradisies / geloofstelsels wat die sukses van hierdie objek / artikel of bemarkingsveldtog beïnvloed
- Persoonlike ontwerpopplossings om meer effektiewe ontwerp(e) te bewerkstellig

Die kandidaat moet gepaste woordeskat en terminologie gebruik en 'n begrip daarvan toon in sy / haar bespreking en ontleiding van een of meer van die objekte / artikels wat ontwerp is.

**PART 2 (10 marks)**

The candidate must give a **personal exploration of and comparison between two or more aspects of the brief / theme / design in its social, historical and cultural context**. Discuss similarities and differences that reflect any aspect related to design. This can be two or more art style(s), designers / artists, media, etc.

Investigate different trends / styles and motivate the occurrence of certain characteristics of some of these art styles or trends, artists or media in your practical work.

**PART 3 (10 marks)**

The candidate must write a **formal analysis and critical appraisal** (100 – 200 words) on any design(s) (brochure, poster, mural, ceramic piece, etc.) **as found in the local environment**. An example or photocopy of the designed object, article, information item that has been chosen must be pasted in the workbook, together with the discussion or analysis thereof.

The discussion **may include** the following:

- Empirical data: Title, designer / artist, size, materials and date
- The use of art principles (balance, order, harmony, proportion and repetition) and art elements (line, tone, texture, colour, shape, form and space)
- Medium / Material
- The effectiveness of the item / article (brochure, poster, mural, etc.)
- The requirements for the success of this kind of item / article (brochure, poster, etc.) or marketing campaign
- Social influence / cultural influence / traditions / belief systems that influence the success of the item / article or marketing campaign
- Personal design solutions to create a more effective design(s)

The candidate must use appropriate vocabulary and terminology and show an understanding of them in his / her discussion and analysis of one or more of the designed items / articles.

## 2. VOLTOOI DIE VOLGENDE PRAKTISE OPDRAG (100 punte)

**TEMA : “EKKE, EKSELF, EK”**

Jou toekomstige sukses hang af van die manier waarop jy jouself, jou maatskappy of jou produk bemark. Jy het pas gekwalifiseer bv. Graad 12, Universiteit, Technikon, Kollege, ens. en moet jou prestasies en vaardighede aan die wêreld bekendstel en bemark.

In jou bemarkingsveldtog moet jy jou kreatiwiteit verkoop. Napoleon het gesê “Verbeelding regeer die wêreld”. Noodsaaklike inligting met betrekking tot jouself, jou maatskappy, jou produk(te), ondervinding, vaardighede en kennis

is alles belangrike faktore wat in aanmerking geneem en bekend gestel en geadverteer moet word.

Jou bemarkingsveldtog moet positiewe werksetiek en 'n hoë mate van selfmotivering voorstaan. Oorlewing in die professionele oerwoud hang daarvan af dat jy in voeling moet wees met jou werksomgewing asook innoverend met jou vaardighede moet wees.

Dink aan verskillende mense wat hulle drome vergestalt (aan uiting gegee) het: Raymond Ackerman (Pick 'n Pay), Jenna Clifford (Juveliersontwerper), Nelson Mandela (Politikus), Gary Player / Ernie Els (Sportheld / Besigheidsman), Sol Kerzner (Hotelmagnaat), BWA Hunt Lascaris (Advertensie-Agentskap), Norman Catherine (Kunstenaar), Marian Fassler (Modeontwerper en JY (..?..) Bemark jouself, jou maatskappy, jou produkte – vertoon jou kwaliteite, inspirasies, loop jou vrese trompop en skep desnieteenstaande (almal moet êrens begin), kyk uit vir nuwe idees – onderdompel jouself in 'n kreatiewe veld, verbreed jou visie, versterk jou eie waarde, hê pret, eksperimenteer – hou jou gedagte en idees aktief en vind inspirasie by die kenners.

Wat benodig word is 'n veldtog wat aan jou behoeftes voldoen, jou suksesse onderskraag, realisties is ten opsigte van dit wat jy kan lewer en wat doelgerig is in jou fokus.

Verander jouself in 'n bemarkbare handelsmerk wat op vertroue en kennis berus – mense moet jou en jou produk(te)/maatskappy assosieer met kwaliteit, diens, waarde vir geld, ens.

KANDIDATE MOET **EEN** VAN DIE PRAKTISE OPDRAGTE MET BETREKKING TOT BOGENOEMDE TEMA VOLTOOI. DIT MOET VOLGENS DIE GUIDELINE DOCUMENT 2002 ART 2 (SG) DESIGN (SG) 602 and CASS PORTFOLIO ART II SG BEANTWOORD WORD. (SIEN PRAKTISE VEREISTES VIR ELKE KOMPONENT VAN QNTWERP SG 602.)

**2. COMPLETE THE FOLLOWING PRACTICAL ASSIGNMENT (100 marks)****THEME : "ME, MYSELF, I"**

Your future success depends on the way you market yourself / your company or your products. You have just qualified e.g. Grade 12, University, Technikon, College, etc. and must promote and market your successes and skills to the world.

In this marketing campaign you have to sell your creativity. Napoleon said, "Imagination rules the world". Essential information concerning yourself, your company, your product/s, experience, skills and knowledge are important factors to consider and promote.

Your campaign must personify positive work ethics and a high degree of self-motivation. Survival in the professional jungle depends on you being in touch with your work environment and in your ability to be innovative. Think of people who imagine and live their dreams: Raymond Ackerman (Pick 'n Pay), Jenna Clifford (Jewellery designer), Nelson Mandela (Politician), Gary Player / Ernie Els (Sport hero/Businessman), Sol Kerzner (Hotel magnate), BWA Hunt Lascaris (Advertising Agency), Norman Catherine (Artist), Marian Fassler (Fashion designer) and YOU (..?..).

Sell yourself, your company, your products – show your qualities, inspirations, face your fears and create anyway (everyone must start somewhere), look out for new ideas – immersing yourself in a creative field, expand your vision, reinforce your self-worth, have fun, experiment – keep your mind and ideas active and get inspiration from the experts.

What is needed is a campaign responsive to your needs, supportive of your successes, realistic on what you can deliver and appropriate in its focus.

Turn yourself into a branding/logo concept that involves trust and knowledge – people must associate you, your products/company with quality, service, price, etc.

CANDIDATES ARE REQUIRED TO COMPLETE **ONE** PRACTICAL ASSIGNMENT IN RELATION TO THE ABOVE THEME, WHICH MUST BE ANSWERED ACCORDING TO THE GUIDELINE DOCUMENT 2002 ART 2 (SG) DESIGN (SG) 602 and CASS PORTFOLIO ART II SG.

SEE PRACTICAL REQUIREMENTS FOR EACH COMPONENT OF DESIGN SG.

**OPDRAG:** Voltooï EEN van die volgende praktiese komponente:

**Die aantal werke wat vir elke komponent vereis word, word uiteengesit in die  
GUIDELINE DOCUMENT 2002 ART 2 (SG) DESIGN (SG) 602 and CASS PORTFOLIO  
ART II SG.**
