WOODWORK

6030/02

Paper 2 Practical Test

October/November 2005

3 hours

Additional Materials: As listed in Instructions to Supervisors.

READ THESE INSTRUCTIONS FIRST

All dimensions are in millimetres.
The insert contains the orthographic drawing.

This document consists of **3** printed pages and **1** blank page and an insert.

The pictorial drawing shows a coffee table with the top removed.

You are required to:

- (a) make the end part enclosed within the circle to the dimensions shown in the working drawing;
- (b) join part **D** to part **C** by means of an appropriate joint;
- (c) appropriately shape part **A** at end marked **X**;
- (d) lightly clean off all pieces with a finely set smoothing plane before final assembly.

The following pieces of wood, previously prepared, are to be used:

One piece 490 long, 50 wide and 18 thick.

One piece 230 long, 25 wide and 18 thick.

General Notes

- 1 A second supply of wood is **not** allowed. If you make a mistake do your best to work as near as possible to the details given in the drawing. All pieces of wood should be finished to the correct lengths and their ends neatly trimmed with a plane.
- 2 Any dimensions omitted are left to your discretion.
- 3 Attempt to finish all parts of the test but remember that a partly completed piece of good quality may gain more marks than one which is complete but inaccurate or poorly finished.
- 4 You may use any of the ordinary hand tools but the use of adhesive, glasspaper, files, rasps and scrapers is not allowed.
- 5 Write your Name and Examination Number boldly and clearly on **each** of the pieces of wood in capital letters and numbers 6 mm high. If you do not complete the test, you must nevertheless return all the wood, with the exception of the waste.
- 6 Assemble your work before handing it to the Supervisor.

COFFEE TABLE (TOP REMOVED)

BLANK PAGE

Permission to reproduce items where third-party owned material protected by copyright is included has been sought and cleared where possible. Every reasonable effort has been made by the publisher (UCLES) to trace copyright holders, but if any items requiring clearance have unwittingly been included, the publisher will be pleased to make amends at the earliest possible opportunity.
