3. Describe the advantages and disadvantages to an **employer** of introducing videoconferencing.
4. Lisa Maxwell is the Sales Manager of GoGolf Ltd. She holds regular meetings with the sales representatives to keep them up-to-date with their targets and sales performance.
All the information Lisa requires is available on spreadsheets but she has been told her presentations would improve if she used graphs/charts.
Recommend **2** types of graph/chart which could be used. Give reasons for your answers.
5. Justify the use of the Autoreply/Out of Office Reply feature on e-mail.
6. You are working in the Mail Room of Insignia Ltd. The following problems have arisen.
- (i) A booklet, which is subject to copyright, must be seen by all department heads.
 - (ii) Mailroom staff are regularly having to work late preparing the mail for posting.
 - (iii) One of the sales representatives, who is at a conference in London, has mistakenly left his passport in the office; he needs it by 5 pm tomorrow.
 - (iv) The draft company financial statement, produced this morning, is urgently required by each of Insignia's branch managers.
- Suggest how these problems can be overcome. Justify your answers. A **different** justification must be given for each.
7. (a) Orion Recruitment Ltd is changing from manual to electronic filing. In order to do this successfully, it is essential to operate an **effective file management system**.
Explain what is meant by this statement, using examples to support your answer.
- (b) Identify **2** advantages of using a computerised database.
- (c) Data users holding information on individuals must comply with the principles of the Data Protection Act. Outline **3** of these principles.
