Section C

1. Identify whether the following is an example of a need or a want.

Designer clothes _____

Fresh air _____

A sports car _____

Shelter _____

4 KU

Read the following case study then answer the questions that follow.

Mr and Mrs Taylor recently celebrated their 50th wedding anniversary. They have no other family. Mrs Taylor looks after her husband who has dementia. Although Mr Taylor attends a day centre 2 days a week, Mrs Taylor is his main carer and caters for most of his needs.

Mrs Taylor has recently discovered that there is a new medication for dementia and she asks her GP about it. Her GP says that the medication is very expensive and in any case Mr Taylor is too old.

While out shopping one day Mrs Taylor falls and breaks her hip and is admitted to hospital where she needs an operation and won't get home for at least 6 weeks. She is very worried about who will look after her husband for the next 6 weeks.

2. Describe **one** physical need and **one** emotional need that have changed for Mrs Taylor since going into hospital.

Physical _____

Emotional _____

2 KU

2 App

3. Explain what is meant by the term *discrimination*.

2 KU

4. Identify **one** example of discrimination from the case study and describe **one** possible effect this may have on Mr Taylor.

Example _____

Possible effect _____

2 App

Mr Taylor's health has deteriorated and he has been admitted to a care home. Sergei is a care worker who has been asked to support Mr Taylor.

5. (a) State **two** principles which underpin the National Care Standards.

2 KU

- (b) Give **one** example of how each of the principles you have chosen in 5(a) could be applied by Sergei when supporting Mr Taylor.

Example of 1st chosen principle: _____

Example of 2nd chosen principle: _____

2 App

6. Identify **four** qualities required by Sergei in his role as a care worker.

1 _____

2 _____

3 _____

4 _____

4 KU
