**Do not open this paper until you are told to do so.**

In this test, you have to listen carefully to a number of short passages in Gaelic to find the information asked for in the questions.

You will hear each passage three times, and then you will have time to write your answers. Answer **in English** in the spaces provided.

When you are told to open this paper, read the English introduction at the beginning. Follow the questions printed in the paper as you hear them, and then write your answers. Do not give up the first time you get stuck; leave a blank and keep trying.

As you listen to the passages, you may make notes, but only in this paper.

You are not allowed to leave the examination room until the end of the test.

Before leaving the examination room you must give this book to the invigilator. If you do not, you may lose all the marks for this paper.
