Answer Section A in English and Section B in Russian.

### Section A

Listen carefully to the recording with a view to answering, in English, the questions printed in this answer book. Write your answers clearly and legibly in the spaces provided after each question.

You will have 2 minutes to study the questions before hearing the dialogue for the first time.

The dialogue will be played twice, with an interval of 2 minutes between the two playings.

You may make notes at any time but only in this answer book. Draw your pen through any notes before you hand in the book.

Move on to Section B when you have completed Section A: you will not be told when to do this.

### Section B

Do not write your response in this book: use the 4 page lined answer sheet.

You will be told to insert the answer sheet inside this book before handing in your work.

You may consult a Russian dictionary at any time during both sections.

Before leaving the examination room you must give this book to the invigilator. If you do not, you may lose all the marks for this paper.
