### Comprehension MCQ (5 x 2 marks)

Read the passage carefully and answer the questions that follow.

When Andrew told the girls that there were three green men, Lisa narrowed her eyes in disbelief.

"We didn't want to scare you off or anything," said Tom, "but that was the field they came down in." He pointed over the garden fence.

"We just thought we ought to warn you as you are going to spend the night out here." Andrew said.

"Scared? We are not going to be bothered by just three little green men! Besides, they may not be real! Am I right, Pippa?" asked Lisa.

Pippa chewed nervously on her bottom lip. She was at a <sup>loss</sup> for words. She had never been as keen as Lisa at the idea of camping out in the garden. But they had to do it because Lisa had said so. It was a dare.

Andrew and Tom had done it last night, just to prove that there was nothing to it. Now it was the girls' turn. Lisa added on, "Come on, Pippa. Everything is going to be okay. The boys were just cooking up stories to try to scare us. How can there be an old spaceship with little green men in it anyway?"

"That's what you think," said Tom.

Pippa swallowed. "Did you s-say your uncle s-saw it?"

"Yup," Andrew nodded. "He was driving home one night and he saw it come down and those little green men got out."

## **SECTION F**

### **Comprehension (5 x 2 marks)**

**Read the passage carefully and answer the questions that follow. Write your answers in complete sentences.**

Mr. Raja wanted to show the Primary Three pupils in his class how plants grow under different conditions. Using good soil, he planted a bean in the first pot and put it outside the classroom under the sun. He watered it every day. He planted a bean in the second pot. Then, he placed it next to the first pot but he did not water it at all. He planted a bean in the third pot. He placed this pot in the class cupboard and watered it every day.

Ten days later, he took out the pots and placed them on his desk in a row. He labelled all the three pots. The first said, "This bean has been exposed to sunlight and has been watered every day." The second said, "This bean has been exposed to sunlight but it has not been given any water." The third label said, "This bean has been watered every day but it was placed in the cupboard where it did not receive any light."

"Great!" he said to himself. "All the beans look different. When the pupils come to school tomorrow, they can see what plants need in order to grow well."

On the following day, he had a surprise. All the plants looked the same. Just then, the school cleaner, Aunt Poh, approached Mr. Raja and said, "I read the labels on the pots. I have watered all the plants and exposed them to sunlight. They are all growing well now. I hope you are pleased with them."
